As a prominent leader in our community, we hope you will participate as a sponsor of this milestone event that captures Waco's spirit of unity and optimism.

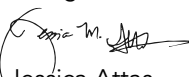

For a decade, Prosper Waco has served as a backbone organization aligning systems and strategies across sectors to improve education, health and economic opportunity in our community.

Your sponsorship will support collaborative initiatives that lead to a more skilled workforce, stronger schools, healthier families and a Waco where all can thrive. Your support as a sponsor is not only a celebration of how far we have come – it is an investment in the work that remains. Together, we can build the next chapter of Waco's prosperity.

**This dinner is not only a celebration — it's a call to action.** Let's honor where we've been, celebrate where we are and invest in where we're going—together.

## About the Event

The 2025 Prosperity Dinner on the Avenue is a signature fundraiser for Prosper Waco, bringing together business and community leaders to celebrate the city's progress while raising essential funds for continued economic and social development.

Inspired by Waco's historic 1911 Prosperity Banquet, this event will take place on **Sunday, October 19, 2025** (with a rain date of October 20), on Austin Avenue in Downtown Waco, transforming the street into an elegant outdoor dining experience. The 1911 banquet was a grand community celebration that highlighted Waco's growth and economic achievements, setting the stage for a future of prosperity. In that same spirit, the 2025 event reflects on how far Waco has come and supports the work still needed to ensure a thriving future for all residents.

While the Prosperity Dinner is part celebration, recognizing a 10-year milestone of involvement in the community, it also represents an opportunity to begin laying the groundwork for the next decade. **Your sponsorship of the 2025 Prosperity Dinner will help ensure that we are able to continue developing and funding projects that lead to higher-paying jobs, improved health and education and greater economic opportunity for all our Waco neighbors.**
